## Dear Lorber's friends from all over the world

The time has come to create the **"Jakob Lorber International"** magazine in order to put into contact Lorber's friends **LORBER'S FRIENDS OF THE ENTIRE PLANET**.

Lorber's friends from all over the world will have the possibility to send their own emails later to be translated and then published – in each country's language – in a monthly magazine called **JAKOB LORBER INTERNATIONAL** which will be sent to the email address previously given by those who want to receive it for free.

ONLY THIS WAY will Lorber's friends from ALL OVER THE WORLD have the opportunity to stay in touch and decide what to undertake ALL TOGETHER to make known the work THE NEW REVELATION given by God to His scribe Jakob Lorber.

ONLY THIS WAY will Lorber's friends from ALL OVER THE WORLD have the opportunity to know HOW MANY Lorber's friends are in the world: the Italian, German, English, Dutch, Swiss, Austrian, Spanish, French, Brazilian, American, Russian friends and many more.

ONLY THIS WAY will Lorber's friends from ALL OVER THE WORLD have the opportunity to talk in order to understand better this monumental and wonderful divine Work, with the help of "world experts" and possible "persons who are reborn in spirit".

The time has come to create the Magazine **Jakob Lorber International** in order to **keep in touch among us**. EVERY MONTH everyone will have the opportunity to read the Magazine **JAKOB LORBER INTERNATIONAL** in his OWN language and to get to know all the news coming from Lorber's friends from all over the world.
